**SUBJECT:** DVAP Corrective Action Receipt Letter  
**GRANT #:** DV09 17 1489  
**RECIPIENT NAME:** Central California Family Crisis Center

Dear Ms. Green:

On February 1, 2010, I conducted a site visit of the Domestic Violence Assistance Program operated by the Central California Family Crisis Center. In your follow up letter dated 2/11/10, I notified you of corrective actions to be taken as a result of missing items and/or documentation during the site visit as well as a date to make such corrections (see attached).

This letter is to certify that I am in receipt of the documents that you were requested to provide and after further review I am pleased to announce that your agency is now in compliance with Cal EMA requirements in every single area of the performance assessment.

I will make copies of the documents that you have provided and file them in the Central California Family Crisis Center's DV09/10 file in our office which will be kept here for a period of three years and a copy will be mailed to the Cal EMA Headquarters to be placed in your master file indefinitely.

Please note that with the exception of the CEQA exemption (which is good forever) the documentation that you provided at the site visit and for the corrective action is only good for three years. You will be required to provide any requested documentation at any future site visits including a copy of the CEQA so please keep the original for your records.

I appreciate the time and effort that you have put into making the necessary corrections to help your program become compliant with Cal EMA requirements.

If you have any questions or concerns regarding this letter please contact me at (916) 324-9222 or [Joimeiko.Coulbourn@calema.ca.gov](mailto:Joimeiko.Coulbourn@calema.ca.gov).

Respectfully,

Joimeiko Coulbourn
